OUT ON THE LIMB with George Vierhus

THERE HAS BEEN NO rainfall so far this year.

We just threw that in to confuse you.

We mean, of course, that the "rain year", as differentiated from the "calendar year", begins on July 1, and for sure we are not now in the rainy season.

During the season, The Press runs a weekly tabulation of the rainfall, comparing the current figures with the previous year's total to date and the normal.

That weekly report has what is termed in the trade as "good readership".

A surprising number of people follow the record religiously and some even call the office when it does not appear.

Of course, since this area has become so urbanized, the interest in the doings of Jupitor Pluvius has waned to a great extent.

"City folk", traditionally, have never showed the same enthusiasm about weather conditions as have people in the rural areas.

That is, of course, because urban areas, in most cases, are pretty far removed from the crop-growing scene.

We suppose many city dwellers probably would prefer to skip the rainy season altogether, if they had their druthers.

But that attitude, of course, is all wet.

No substitute has been found for rain, as yet.

-0-

ANYWAY, THE PRESS will continue to tabulate the rainfall, as soon as the season gets under way again.

The figures are obtained from the Campbell Water Co., and are about as "official" as they can be. It's another extra-curricula service offered by our friendly water firm.

"Chief statistician" or guardian of the local rain barrel at the water company baliwick is Bob James, office manager.

Bob has at his finger-tips both current and past records of precipitation in this area. Recently he summarized for The Press some of his gleanings from the rain gauge.

-0-

HE NOTED, FOR EXAMPLE, that total for the season ending on June 30 was 14.17 inches with the heaviest rainfall coming in November. The total was more than two inches below normal. But it was more than 1970 when the total was 12.63 which was the lowest for quite a spell.

In 1969 the total was 24.81 inches and in 1967, 25.06.

The record shows that there have been some fair-to-middling showers from time to time.

On January 30, 1968 it rained 4.82 inches and from January 18-30 in 1969, it rained every day for a total of 7.15 inches which was followed then by a steady rain the next month from February 17-28 in which 3.83 inches were recorded.

In 1967, when the rainfall for the year was one of the heaviest recorded (25.06), showers began in November and continued at a good clip right through April, except for February when only .32 inches were recorded.

Last year November was the wettest month when 5.99 inches were recorded, but in the previous four years, January has been the top month rainwise.

After looking over Bob's summary, we came to the conclusion that this year July 1, 1971 to June 30, 1972 will be a real wet one. You see we have two below normal years in succession.

So get your umbrella come November.

Your friendly weather prophet has spoken.

A LETTER FROM MAC

(Continued on Page 2)

IN CAMPBELL SCHOOL DISTRICT

Board approves salary increase

By a unanimous vote of the four members present, (Ralph Steinberg was absent) the board of trustees of the Campbell Union (elementary) School District adopted a $11,456,229 budget for 1971-72 which includes a salary increase for the employees of the district.

District officials estimate that a total tax rate of $4.21 per $100 assessed valuation will be needed to finance the budget which would be approximately 17-cents higher than last year's rate.

Last year the tax rate was increased 39-cents over the previous year, but two years ago, the tax rate had been cut.

The budget of $11,456,229 that was approved last Thursday on a motion by Dr. Richard MacQuiddy and seconded by Mrs. Judy Ruscigno had been revised upward from the advertised tentative budget of $10,823,000.

This year's budget is $1,178,000 more than the one last year of $10,238,000.

The increase in the advertised budget was due primarily to the salary increases for both classified and certificated personnel of the district. There were no salary increases authorized last year.

On the motion of Mrs. Ruscigno, seconded by Dr. Bob King, the board authorized a 6.7% increase for beginning salaries and a change of format in the salary ranges affecting all the teachers in the district.

The beginning salary in the district was raised from $6750 to $7200.

The raises for the other teachers vary based on years of experience, college credit and other factors. The increase could mean a possible maximum of 11% in the highest category. The maximum salary in such a case would be $15,509.

The board also approved a 6.7% increase in the base salary for classified personnel of the district also with a format change in the salary schedule affecting all non-certificated employees.

The motion to approve the increase for the classified personnel was made by Mrs. Ruscigno and seconded by Mrs. Eleanor Graham-Armstrong.

The trustees reluctantly approved a raise from 35-cents

(Continued on Page 2)

High school board grants salary hike

Next year's salary schedules for Campbell Union High School District reflects a 3.7% increase, according to Dr. Nicholas Montesano, superintendent.

The new schedule for the district's 506 teachers brings the starting salary for a beginning teacher with an A.B. degree to $7,678. Top salary for a teacher with 12 years of experience and 75 college graduate units beyond the A.B. is now $15,904.

In addition, the superintendent points out, district employees received improvements in fringe benefits to include dependent coverage for major medical insurance.

Montesano emphasized that the new salary package is a "fair proposal."

"It represents a sincere effort to help our employees keep up with the cost of living and yet it does not impose an unmanageable burden upon the district's budget," he added.

Dr. Montesano said that he was confident that it will be possible to fund the new package without an increase in the district's total tax rate.

The district's 250 classified employees and 104 administrators received similar improvements in wage and frings benefits.

SPADE-WORK---Mayor Ralph Doetsch uses a shovel to mark the spot where the clock tower will be located at the civic center complex. On the right is Bob Tellesen, chairman of the Chamber of Commerce clock tower committee, that is asking for individual donations to raise the $1700 that is still needed. Previous fund-raising drives have raised $3000, and the City Council has given the go-ahead signal for construction. Helping the mayor are Tim Piper, 9, (left) and Matt Piper, 11, sons of Mr. and Mrs. Bob Piper. Donations should be sent to "Clock Tower" at the CofC office.

FUND NEEDS $1700

C of C makes appeal for clock tower donations

Spearheaded by the Chamber of Commerce a drive was begun this week to raise from individual contributors the $1700 that is needed to finance the clock tower at the new city hall. The Tower will be in place at the time of the civic center dedication on Sept. 25.

According to Bob Tellesen, chairman of the clock tower committee for the CofC, Fred Chez, local developer, with a check for $50 was the first individual to contribute in the drive.

Checks should be made out to the "Clock Tower" and sent to the CofC office, 100 W. Rincon Ave., or P. O. Box 85.

The decision to ask for individual contributions rather than to undertake another special fund-raising program to raise the $1700 needed, was made by the executive committee of the Chamber of Commerce.

A kiddie matinee and a premiere movie had raised $3000 of the goal of $5000.

FOR LITTLE LEAGUE CHAMPS

Campbell hosts division play

More than 1000 people are expected to be on hand to watch each of the Little League northern California district tournament games that begin this Thursday, Aug. 12 at 5:30 p.m. at the Rosemary School field, home of the Campbell Little League, runners-up for the world championship last year.

Four teams are playing in the "sudden death" playoffs.

The winner of the tournament here will move on to San Bernardino for the regional championship next week, the last stop before the world series in Williamsport, Pa.

Although the area covered by the northern California district tournament stretches from Fresno to the Oregon line, two teams from Santa Clara County, Cupertino American and Lincoln Glen of San Jose, will meet in a game that is expected to draw a huge crowd of supporters from both areas in the tournament opener tomorrow (Thursday) at 5:30 p.m.

Then on Friday, at 5:30 p.m., Novato of Marin County plays Marysville.

On Saturday, Aug. 14, the losers of the first two games will meet in the consolation game at 10 a.m. The championship battle is scheduled for 2 p.m.

Following the game on Saturday, the awards dinner will be held at Marianni's in Santa Clara at 8 p.m.

The four teams, Cupertino, Lincoln Glen, Marysville and Novato, are the sectional winners for northern California. Campbell all-stars lost to Santa Clara Westside in the early stages in the tournament play. Santa Clara Westside, in turn, bowed to Cupertino.

Cupertino American represen[illegible] District 44, the same distric[illegible] which Campbell is a member, and this is the fourth year in a row that a

Plans for nine (now eight) story building go to Planners

For the second time, the Planning Commission, next Monday, Aug. 16, will consider the plans for a high-rise combination commercial-office-apartment building proposed for property at Hamilton and Llewellyn.

However, Central Development Co., the applicant, has modified the plans from the original. The proposed building has been reduced from nine-stories to eight and other changes have been made.

The Planning Commission rejected the plans the first time around.

But the City Council referred the matter back to the Commission because of the modifications that had been made after the Commission's original action.

The Council also refused to approve or disapprove the concept of the high-rise building at the location as had been requested by the applicant.

Scheduled for next Monday also is a public hearing on the zone change issue that would place all properties between Barbano Drive and the freeway and between Campbell Ave. and Michael Drive into a P-D (planned development) zone.

Parcels in that particular area at the present time are now zoned R-1, R-3-S, P-O and C-1-S. In a related matter, Vito Agriesti has submitted a zone change request for property in the area now zoned R-1. Agriesti has asked for R-3-S.

Before the Commission also next Monday will be a request by California Savings and Loan to move a two-story duplex now located at 1980 S. Bascom onto property at 910 Michael Drive. The savings and loan firm plans to build an office on the S. Bascom parcel.

Plans for an office building, a commercial building, an industrial building and an apartment complex are also up for Planning Commission approval next Monday.

Peter Paulson has presented

(Continued on Page 2)

AUTOMATIC SWITCH ISSUE UNRESOLVED

Council urges noise abatement measures for drive-in theater

Operators of Winchester Drive-in Theater must move into the area of "noise abatement" and traffic control to improve conditions in the neighborhood, the City Council ruled Monday night. But the complicated question of what constitutes an automatic shut-off switch for drive-in theater speakers remains up-in-the-air.

By a 4-0 vote (Councilman Dean Chamberlin was absent) the Council approved the "noise abatement" motion by Dr. Ed Rogers following a 40-minute discussion period basically involving the question of whether "automatic turn-off switches" are feasible or are still in the exploratory state.

A condition of the use permit for the Winchester Drive-in specifies that an "automatic shut-off device be provided for all car speakers so that they will not emit sound when not in use within an automobile".

Four former planning commissioners, Kel Young, Jack Healey, Thayer Lyons and Frank Klein, have argued that the theater is in violation of that condition, and it was the matter of clarification of the switch issue that was before the Council. Klein was the only one of the four not present Monday night.

The theater operators maintain, verified by Art Kee, planning director, that at the time there are no strictly automatic switches on the market.

But since the switch issue has made its appearance, a number of professionals and semi-professionals in the field, have claimed that a switch could be perfected that would meet the use permit condition.

Monday night, Dave Hackman, of 215 Union Ave., told the Council that one of the engineers he represents has made a prototype of a switch that they would like to demonstrate.

City Attorney Bob Dempster cautioned the City Council not to become involved in a product not yet on the market.

Lyons, however, main-

(Continued on Page 2)

TOTAL FOR YEAR TOPS $15 MILLION

Record - breaking building surge continues at torrid pace in Campbell

In July for the second successive month, almost $5 million in building permits were issued by the City of Campbell.

The July figure raised the total for the first seven months to the astronomical high of $15,738,627, which already exceeds the total for any one previous year in the city's history, according to Wally Byron, building official.

In July, the city issued $4,973,383 in building permits. In June the total came to $4,821,165. In July, 1970, the permits hit just over $1 million to make a seven month total of $4,767,805.

For the entire 12 months last year, the total was $6,048,715.

During July, according to Byron, there were 86 permits issued for 482 apartment units for $4,823,134 and the year's total for apartments at the end of July was $11,635,970.

With only two exceptions all the permits for multiples were issued to McKeon Construction Co., now in the process of constructing four-unit apartments on the former Gomes Ranch, between Latimer and Hamilton. Each permit was for $43,315.

A permit for a 142-unit apartment for $1,132,641 was issued during the month to General Mortgage and Finance at 600 Marathon, and Ray Kanawyer obtained a permit for a four-unit apartment for $52,033 at 725 West Valley Drive.

A permit for a commercial building for Belko Electric at 1624 Dell Ave. for $94,752 was also included in the record-breaking month. Commercial buildings have accounted for $2,445,106 for the year so far.

Alterations and additions for July came to $19,738 for a year's total of $449,739 while demolition permits accounted for $1000 for the months, and a total of $3000 for the year to date.

There were four permits for swimming pools for $15,500 issued in July. In seven months there have been 22 pool permits for $55,465.

There were seven miscellaneous permits in July for $14,284 and a total of 13 for the year for $88,753.

Editorial

Bicycle safety

Bicycle riding has become increasingly popular in the last few years but with its popularity also has come an increase in the "statistics" that reveal, unfortunately, that more bicyclists are becoming involved in traffic accidents than ever before.

According to the California Highway Patrol, 6,845 bicyclists were involved in fatal or injury accidents in California in 1970 and 89 were killed.

The CHP adds that while the total number of fatal motor vehicle accidents decreased more than three per cent in 1970, the number of bicyclists who died in traffic accidents was up 45%.

It used to be that bicycle riding was pretty much confined to the younger set. But not any more.

Of course, the youngsters are still in the majority in this field and probably most of the accidents involve kids, but it is also imperative for adult bicyclists to become familiar with bicycle laws.

The California Highway Patrol has announced that increased emphasis will be placed on bicycle safety this year and has published a bicycle law pamphlet that is available at all CHP offices or by writing to CHP Information and Education Office, Box 898, Sacramento, Calif. 95804.

It is a pamphlet that would be a valuable piece of literature to have in most homes, especially in those in which mother, dad and the kids all ride bikes.

The CHP has also developed a set of cartoons based on the bicycle law pamphlet, an example of which appears below.

While we recognize that the traffic problems in bike riding involving youngsters have been with us for a long time and will continue to be around as long as there are kids and schools, we believe sincerely that some of the traffic dangers involved in adult bike riding could be alleviated, if concentrated efforts were made to establish bike routes in certain specified areas.

We believe that bike-riding should be encouraged for young and old alike and an entire family pedaling their wheels is an attractive sight.

But much of the pleasure of bike-riding is lost because of the dangers that lurk on the heavily-traveled streets.

The suggestion has been made that bike trails should be built along the various creeks. For example, we think the cost would be minimal to construct a bike trail along the banks of Los Gatos Creek.

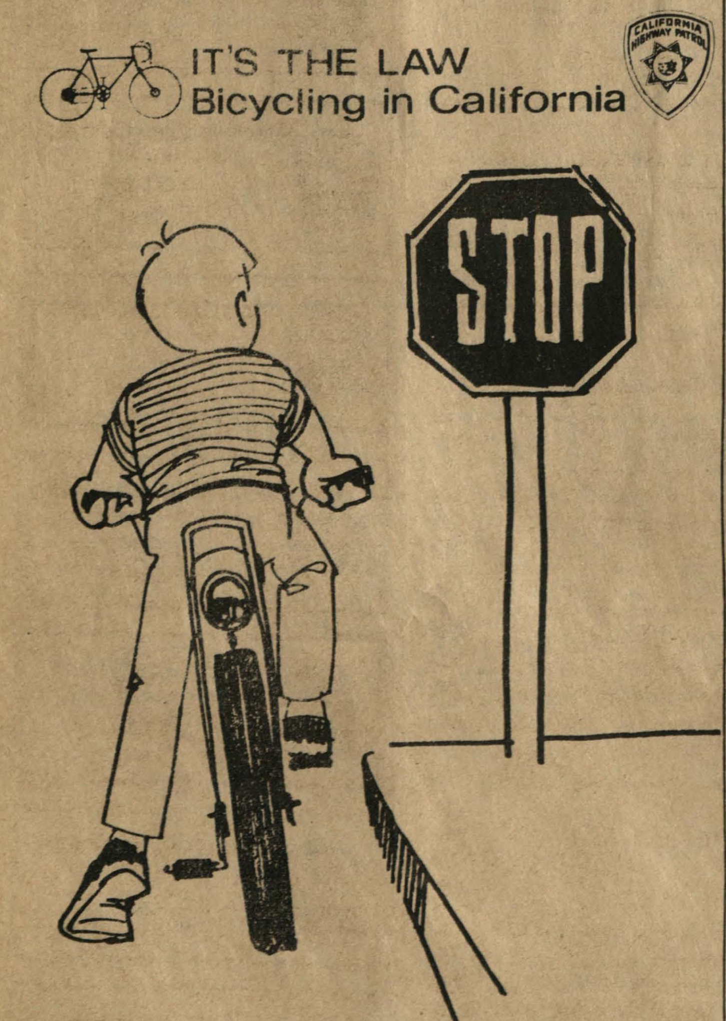
If that were done, bicyclists then could pedal all the way from Campbell to Vasona Park without being concerned about dodging the automobile traffic.

However, such a bike route does not exist today and so it behooves both bicyclists and non-bicyclists to emphasize the necessity of bicycle safety.

It is important to know the incorrect and correct bicycle practices and adults often are as much at fault as the kids in this connection.

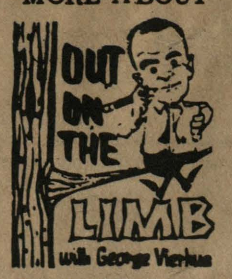
We think this emphasis on bicycle safety that has been undertaken by the California Highway Patrol will be helpful in combatting the rise in accidents involving bicyclists.

In the meantime, we sincerely hope that it may also give the needed impetus to the establishing of real honest-to-goodness bike routes.



Every person riding a bicycle upon a highway, has all the rights, and is subject to all the duties of the driver of an automobile. Some of these are stopping at stop signs, granting right of way to automobiles and pedestrians, stopping before crossing sidewalks, and stopping for "Stop" and "Go" lights.

MORE ABOUT



(Continued from Page 1)

Martinez, who was elected to the Campbell Union High School District board in April and took office on July 1, was received by us this week and we want to share it with you. We think it typifies the sincerity of Mac:

"Dear George,

"Attached is a copy of the letter that I sent to those who actively campaigned in behalf of my election. I send it to you for your information.

"Its message is also for you. I consider you, as representative of the press, to be the eyes, ears and conscience provoker of the community.

"I would consider it an honor if, from time to time, you would pass on to me what you know to be a message from Mr. Citizen and Mr. Taxpayer.

"In turn, I would be most willing to dialogue with you whenever you wish. Thank you,

"Sincerely, Mac Martinez".

-0-

THE LETTER THAT WAS attached to Mac's note and which was sent, as he mentioned, to those who actively campaigned for him is an honest expression by an individual who recognizes his responsibility to the community.

We feel that letter is also worthy of note:

"My term of office on the Campbell Union High School Board has begun and I am proud to be your representative. I am taking this means to express my heartfelt thanks for your time and efforts in behalf of my election.

"My prayer and aim is to demonstrate my gratitude with an honest and effecting fulfillment of my responsibilities. However, as I needed you before the election, I'll need you more throughout my term of office.

"The complexities that face our schools are enormous. I do not pretend to be an expert, but that need not be a deficit if you will help me. I need to know your problems and concerns. Your expertise is important! What you are thinking is important!

"I believe that you and I, working together, can foster a more effective condition in our school system. I am calling on you to be the representative of your spheres of influence and to act as their Laison to me. I want this partnership to bring about only what is good for our young people.

"Again, thank you for your trust and support. Together, we shall accomplish.

"Sincerely, Mac Martinez."

With those goals, we are certain Mac Martinez will serve the district well.

-0-

THIS IS THE TIME OF year when various youth baseball groups "do or die" on the tournament trail.

Last year, Campbell's Little League entry went all the way to the world series in Williamsport, Pa.

The West Valley Colts, made up of high school players from the schools in this area, has been the most successful outfit this season.

Last week when the Colts left for Yakima, Washington for the regional tournament, Mrs. Dorothy Mitchell, a staunch Colt booster, filled in as Press photographer for us with our camera.

She did an excellent job and we were able to run four of the photos she took in last week's paper.

We neglected to give Dorothy a courtesy line with last week's pictures. That's what we are doing here.

-0-

THAT WAS THE FIRST time Dorothy Mitchell had operated such a camera so we guess Sally deserves some credit for instructing her so well.

Incidentally, Carol Casteel borrowed the camera also to take some shots of some Girl Scouts and bobby-sox softball players.

She, too, first went through a dry run in the office supervised by Sally. Her pictures turned out well. (Maybe it's the coach).

Anyway that camera seems to be doing right well without us.

You might say it's a new twist to remote control.

Or you might say something else.

YOUTH CONTRIBUTION--- Members of the Campbell Youth Advisory Commission present a check for nearly $2500 to Capt. Don Burr, acting chief of police, to be added to the fund for John D. Morgan. Left to right are Connie Morgan, member of the commission and daughter of the hospitalized police chief, Becky Campos, Burr, and Rusty Hammer, chairman of the youth commission. The youth commission raised the money through candy sales and a rock concert.

Automatic drive-in switch issue

(Continued from Page 1)

tained that the market does exist today and he saw nothing wrong in the city leading the way.

Healey claimed that the intent of the Planning Commission was to provide the shut-off condition when the permit was granted. He said he was chairman of the commission at the time.

He added that city ordinance cannot stop horn honking or tire screeching and wondered why that wasn't considered when the third screen was built.

Mayor Doetsch then asked Healey why that idea wasn't brought up at the time of the referendum which upheld the City Council? (Healey led the Council opposition at the time).

Young wanted City Attorney Dempster to clarify his statement to the Council about getting involved in a product not on the market. He added that the switch would be easy to build and thought that it was already on the market.

Young also challenged the statement by Councilman Smeed relative to the Council getting involved in such matters.

Taking part in the discussion also was Dale Scott, current chairman of the Planning Commission who emphasized that defining "automatic" in relation to the switches was the main problem. He also pointed out that the Commission explained to would-be inventors at the hearing that unless the device was then on the market they could not be heard.

Mayor Doetsch submitted that the Council could not direct the drive-in people to purchase a device that was not on the market, but suggested that if such a switch was made the theater people would cooperate.

Councilman Bill Podgorsek reported that he had met with some of the mobile home park residents and theater people and that conditions have improved since the conference.

But at the end of the discussion, only one thing appeared certain.

The matter of automatic switches at drive-in theaters was a sticky one and still remained unsolved.

plans for an office building at 137 E. Hamilton; A. Martin is asking approval of plans for a commercial building next to La Fonda on Bascom; R. Walker has submitted plans for an industrial building on Cristich Lane and M. Podell has plans in for a 116-unit apartment building at W. Hamilton and Darryl.

The Planning Commission is also expected to discuss the problem of classifying "flea markets" so as to give the city adequate control over such operations.

MORE ABOUT

Campbell hosts

(Continued from Page 1)

District 44 representative has played in the sectional tournament.

The four teams of 14 players each began arriving in town on Tuesday. The players (two to a home) will be housed in homes of "foster parents" in the area for the four nights they will be here.

Parents of last year's all-star team from Campbell are hosting the Novato team while other Little League parents in the area will put up two other teams.

Moreland Little League parents will house the Marysville team.

Extra bleachers have been put in place at the Rosemary field to accomodate the 1000 fans that are expected to be on hand.

Campbell Little League officials have asked Campbell residents to use the Eden Ave., gate off Hamilton, at the east end of the school, where they will be directed to parking areas.

Out-of-town visitors will probably use Millich Ave., and park in the open field.

to 45-cents for student lunches (53-cents to 79-cents for adults). The increase was necessary, it was explained, because of the reduction in federal assistance and a general rise in costs.

The motion to raise the lunch price was made by Dr. MacQuiddy and seconded by Mrs. Ruscigno.

The salary increase package had been worked out in meet and confer sessions prior to the budget hearing, although Ralph Britton, of the West Valley Federation of Teachers, who was present at the budget hearing voiced criticism of the board's action.

However, Herb Wadley, of the Campbell Elementary Teachers' Association, commended the work of the negotiators in hammering out the salary package.

FIRST CARDS

In 1843, Sir Henry Cole, an Englishman, designed and produced the first Christmas cards.

Garden club has display at fair

Campbell Garden Club, a member of California Garden Club's, Inc., built a garden at their meeting today at the Santa Clara County Fairgrounds.

The garden plot made by the club will be on display during fair week, August 13 to 22.

In June the Garden Club members met at the home of Mrs. Edmund Birr and made dish gardens for Agnew State Hospital.

Cambrian names officers

Mrs. Virginia Grewohl has been elected chairman and John H. Shehtanian, clerk of the Cambrian School District board of trustees.

Two new members of the board, who were elected in April, are Quentin (Bud) Taylor and Charles B. (Sonny) Towner. Jack Farnham, longtime trustee, completes the board roster. D.M. (Ace) Bagby, district superintendent, is executive secretary.

Superintendent Bagby announced that in keeping with the district policy, re-assignment of two principals has been made. Sal Colletto, formerly principal of Sartorette School, moves to Bohnett School and Lee Dugan, formerly principal at Bohnett, goes to Sartorette.

All schools in the district will open Aug. 23 for registration of all grades including kindergarten. Schools will open Sept. 13 for the fall term.

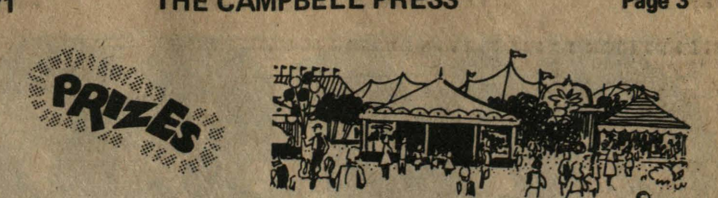
County Fair opens on Friday for 10-day run



Carnival rides, food, entertainment, exhibits, ducks, cows, lambs and an infinite variety of other activities and displays are certain to make the 27th annual Santa Clara County Fair, which opens Friday, Aug. 13, "the fun one", according to William A. Straub, fair manager.

"Make the Fun One" is the theme for the multi-million dollar extravaganza, which has traditionally become "the showcase of the Valley." A complete cross-section of virtually every part of life in the County, from agriculture and farming to industry and entertainment, will be featured during the ten days of the Fair, Aug. 13-22.

Kicking off the Friday the 13th grand opening, will be a parade led by the United States Marines Drum & Bugle Corps, followed by Queen of the Fair Nancy Maloney and Fair Association President Lester Morris riding in mini dune buggies. The 11 Fair princesses will follow in the 1934 Ford used in the film, "Bonnie and Clyde." The car will be part of the custom car and cycle show on exhibit at the Fair.

Precisely at noon, said Straub, the Queen and Morris will drive a dune buggy over a specially built ramp through the main gate on Tully Road, "cutting the ribbon", which will officially open the Fair. Also, some 500 helium-filled balloons will be released, each containing a free pass to the Fair.

Continuous fun-filled activities are slated for the entire run of the Fair Highlighting each night, will be special free shows in the grandstand.

There will be two nights of midget car racing (Aug. 16-17) on a half-mile track. Drivers from across the country will race for cash prizes.

An auto thrill show will be staged the following two nights (Aug. 18-19).

John Gary, night club singer and television personality, will help wrap up the last three days of the free grandstand shows.

There will be special days for special people, said Straub. Two Kids' Days, Aug. 17 and 20, will allow all kids under 16 years old free admission to the Fair. Scott McConaughey and Trudy Garcia, the Junior King and Junior Queen of the Fair, will reign over activities.

Kids will be able to participate in such events as a pie eating contest, costume parade, three legged and sack races, finding a needle in a haystack, and a mutt contest. A parade, complete with a fire engine as the "royal coach" for the Junior King and Queen, will open Kid's Day events.

On Aug. 18, Senior Citizens' Day, those over 65 years old will be admitted at the reduced rate of 75 cents.

A Senior King and Queen will be selected on that day, and will officiate over afternoon proceedings. Ebb Bohn, longtime Cherry Farmer - Fair mascot, will be master of ceremonies at a variety show produced for the day's honored guests.

Babies and their parents will get in on the fun on Baby Day, Aug. 21. A Champion Diaper Derby will take place at 5 p.m.

Other special events during the Fair will include a Disc Jockey cow milking contest, Aug. 18; a rooster crowing contest, Aug. 21; the senior division talent contest, Aug. 14; the junior talent contest Aug. 17; and the World Champion Fast Draw contest, Aug. 21 and 22.

One of the most popular events, the Junior Livestock Auction, will be held on Aug. 21.

All types of farm and barnyard animals will be on display at the Fair. A special "Old MacDonald's Farm" has been created by local 4-H and Future Farmers' clubs.

Quilts, pies, cakes, jams and handicrafts will fill part of the Pavilion Building where home economics entries will be displayed.

Also in the Pavilion is the Arts and Crafts Show. Some 200 works of County artists are on display.

Located just behind the Pavilion, on Variety Square patio, will be the Industrial Participating program. High School students have been working with IBM, NASA - Ames Research, Pacific Telephone and Telegraph, United Technology Center, and Stanford Linear Accelerator, to produce the daily demonstrations.

Gateway Hall, recently completed, will house the agricultural and Future Farmers of America entries. The Theme, "Now and Then" will depict Santa Clara County from 1850 to the present, with slides and lectures.

"Our Four Seasons" is the theme for the cut flower section of the floriculture department at the Fair. Arrangements will follow the theme for judging.

In the poultry-rabbits-pigeon department, "Feathers and Fur–Oriental Style" will by typified by the far Eastern dress of the attendants and the main display cage.

On hand to supplement the entertainment schedule will be many well-known local groups.

Slides and prints from national and international photographers will be displayed by the 16th Light and Shadow International Exhibition on Variety Square patio, behind the Pavilion.

Most popular with the kids, will be the return of the Foley and Burk Combined Shows Carnival.

Food, a highlight for every Fairgoer, will be even more plentiful and diversified than ever. The ever popular pepper steak sandwiches, corn on the cob, strawberry shortcake, hot dogs, soda pop and ice cream will provide a refreshing break for all.

Commercial exhibitors, selling everything from vegetable peelers and fudge to men's hair styling and inflatible furniture, will be located in Exposition Hall this year.

Fiesta Hall is the site of the 4-H entries from throughout the county. Some 30 4-H clubs have constructed booths surrounding the outside of the building. Inside Fiesta Hall, entries in photography, electonics, sewing and baking are featured.

Admission charges to the Fair are kept at a minimum, Straub pointed out. General adult admission, $1.25; Junior (13-16 years), 75 cents; Child (6-12), 50 cents. Children under 6 are admitted free.

Campbell families host students from Madrid

Four Campbell families are hosting students from Spain this week, in cooperation with the Foreign Study League.

Mr. and Mrs. Dan Barry, 791 Marilyn Dr., have as their guests Anna Marie Munoz Baroja Penagarcano, a math student from University of Spain.

Marie Dolores Pasqual Vida is staying with Mr. and Mrs. Dave Tacchini of 840 Sharon Ct., and Mr. and Mrs. Frank Meier, 408 Esther, are guesting Jose Ignacio Merello, a chaperone.

Two students, Rafael Muley Alonzo and Javier Gonzalez de Mendoza, are staying with Mr. and Mrs. Allan Townley, 1615 Villarita.

Mrs. Barry, who has small children, heard that the league was seeking homes for the 200 students who are spending a week in the area and felt that they might mutually benefit by the visit.

The students have been studying in Los Angeles and San Diego and will leave on Monday for Madrid.

The local families will take their guests to a few local events, such as the county fair, a winery, and an ice cream parlor. Some are planning outings, such as an overnight camping trip. The group will also tour Carmel and San Francisco.

Mr. and Mrs. Meier's son went to Europe through the league and the Townley's son was a foreign exchange student to Spain several years ago.

BIBLE SCHOOL

Evening Vacation Bible School will begin at the Saratoga Avenue Baptist Church on Monday, Aug. 16. The school will run nightly, through Aug. 26, 6:45 to 9 p.m.

The theme of the school is "Search for God's Hidden Treasures", and will include crafts, Bible Exploration, workbooks, contests, prizes, songs, and refreshments.

Rev. Richard Reed, youth pastor, is superintendent of the school. The Vacation Bible School will include those who have completed Kindergarten through sixth grade. The church is located at 1735 Saratoga Avenue in the Westgate area.

Sukows feted on anniversary

Mr. and Mrs. Cal Sukow celebrated their silver wedding anniversary recently with a dinner party at Mings. Guests included friends and family from Campbell, San Jose, Saratoga, Santa Cruz, Illinois and Minnesota.

The Sukows also visited Tahoe where a sister and her family, who are from Illinois, joined them.

A second party was held in the Fresno area where the Sukows have many friends.

HAM HEADQUARTERS

Fancy quality, sugar-cured, boneless hams in the can . . . the quick and easy way to enjoy a delicious ham dinner or a cold ham sandwich. And, Safeway is the place to buy 'em. Safeway's low discount prices should be reason enough, but in addition, Safeway offers you a wide selection of popular brands and sizes. Just like every purchase that you make at Safeway, every ham is guaranteed to please you or your money back. Just another reason why we are truly "DISCOUNT with a DIFFERENCE."

THANKS FROM US---Members of Girl Scout Troop 878 present a gift to Mrs. Harriet Clapes upon their arrival at her home after a month-long trip to Wyoming which took them through Utah, Colorado, South Dakota, and Nevada. Left to right are Mary K. Lee, Karen Dias, Karen Slye, Dorothy Clapes, Mrs. Clapes and Debbie Clapes. Front are Sandy Scherbinski, Carol Gorden and Christy Casteel who accompanied her on the trip.

BOYFRIEND LEADS --- The romantic leads in the Campbell Civic Theater's first production "The Boyfriend", which will be staged Aug. 20 and 21 at the Campbell High School Auditorium, are Tom Gabbard as Tony and Ricki Mann as Polly. The cast and crew, composed of high school and college students, are presenting the comedy spoof to help the John D. Morgan Fund. They are currently seeking aid from service organizations who will purchase blocks of tickets. For information, call Annette Bianchi, 378-8448.

RETIREMENT GIFT---Mrs. Beatrice York, retiring food service manager of Los Gatos-Saratoga Community Hospital displays the unique mosiac wall clock which was presented to her by friends at a recent surprise barbeque given in her honor.

Friends surprise Mrs. York at retirement fete

Friends and co-workers of Mrs. Beattrice York, retiring food service manager of Los Gatos-Saratoga Community Hospital, surprised her with a barbeque lawn party recently at the home of Mr. and Mrs. Roy Allen.

The party was given by the diet department of the hospital and about 60 guests, including former employees of the diet department were in attendance.

Mrs. York, who has been food service manager at the hospital since it opened in 1962, was presented with a hand-made mosaic wall clock by her friends. She and her husband will make their home in Iowa, following her retirement, August 12.

Girl Scouts

TROOP 878

by Carol Casteel

Returning tired and dusty, but full of excited stories about their month trip to the Girl Scout Jamboree in Wyoming recently, were Christy Casteel, Dorothy Clapes, Karen Dias, Carol Gorden, Mary Kay Lee, Sandy Scherbinski, Karen Slye and Debbie Blake.

The girls left July 9 under the leadership of Mrs. Harriet Clapes and camped along the way in Nevada, Utah, Dinosaur National Monument, Rocky Mountain National Park, Colorado; Fort Laramie, Wyoming; and Mount Rushmore, South Dakota, arriving at Ten Sleep, Wyoming to join girls from all over the state and Puerto Rico.

They backpacked to Indian grounds, went horseback riding, had campfire activities, swapped gifts with other troops and enjoyed many more exciting events.

After two weeks, they proceeded home by way of Cody, Wyoming, Yellowstone National Park and Lake Tahoe. They arrived Thursday, Aug. 5, at Mrs. Clapes' home and were greeted by happy mothers and friends.

The girls then presented Mrs. Clapes with a beautiful flowered purse in appreciation of a marvelous trip made possible mainly by Mrs. Clapes, who also is retiring as scout leader this year, after 24 years service in Girl Scouts.

LIBRARY PROGRAM

A puppet show called "Harry by the Sea" will be presented at the Campbell Library on Tuesday, August 17 at 2 p.m.

This is the last program of the summer reading club at the library, but a "paint-in" will be held soon. Information on reading and programs from youngsters may be obtained from Patricia Walters, children's librarian.

This week the youngsters enjoyed "bird day" when they were asked to bring their pet bird to the library program.

4-H CLUB MEMBERS

CAMPBELL

by Cindy Peterson

The Campbell 4-H Club held their July community meeting on July 12. There were no demonstrations. A report was given on 4-H summer camp.

After the meeting there was a hot dog roast planned by Mrs. Anderson and her boys.

Most of the club members will be exhibiting at the county fair. Clothing and livestock exhibits will be represented.

LEGAL NOTICE

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

S. D. No. 4 Project South Bascom Avenue
Parcel No. 2411-68 EX

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of FIFTY THOUSAND AND NO/100 DOLLARS ($50,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Company, 300 South 1st, San Jose, escrow number 152178. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Five Thousand and no/100--Dollars ($5,000.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or
(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligations.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expense incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FUTHER RESOLVED that on 9-15-71, at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., September 15, 1971, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

EXHIBIT "A"

BEGINNING at the point of intersection of the Westerly line of the San Jose and Los Gatos Road with the Southerly line of Elliott Street, as shown upon the Map hereinafter referred to; running thence South 0° 35' East along said Westerly line of the San Jose and Los Gatos Road, 100 feet; thence leaving said line and running Westerly and parallel with the line dividing Lots 26 and 27, as shown upon said Map, 125 feet to a point in the Westerly line of said Lot 27; thence along the Westerly line of said Lots 26 and 27, Northerly 100 feet to a point in the Southerly line of Elliott Street; thence along said Southerly line of Elliott Street, North 89° 25' East, 125 feet to the point of beginning and being all of Lot 26 and the Northerly 40 feet, front and rear measurements of Lot 27, as shown upon the Map of Tract No. 177 Bradley Manor Unit No. 1, which said Map was filed March 3, 1941 in the office of the County Recorder of the County of Santa Clara, State of California, in Vol. 5 of Maps, pages 44 and 45.

Excepting therefrom the following portion of land:

BEGINNING at the point of intersection of the Westerly line of the San Jose-Los Gatos Road with the Southerly line of Elliott Street as shown upon the Map mentioned above; running thence South 0° 35' East along said Westerly line of the San Jose-Los Gatos Road, 100 feet; thence leaving said line and running due west to the point of intersection thereof with a line parallel with the 47.00 feet distant westerly measured at right angles from that certain monument line established for record on that particular map entitled "Record of Survey of a Monument line of South Bascom Avenue, from Union Avenue to West San Carlos Street" filed for record January 22, 1969, in Book 247 of Maps of Official Records, Office of the Recorder, County of Santa Clara, State of California, at Page 55; thence Northerly along said parallel line to a point distant 20 feet Southerly measured along said parallel line from the Southerly line of Elliott Street; thence Northwesterly along a tangent curve concave Southwesterly with a radius of 20.00 feet to a point in the Southerly line of Elliott Street; thence east along the Southerly line of Elliott Street to the point of beginning of this description, containing approximately 1,785 sq. ft.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on July 20, 1971, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo.
NOES: Supervisors: None

CAMPBELL UNION SCHOOL DISTRICT
REROOFING
NOTICE TO CONTRACTORS

The Board of Trustees of the Campbell Union School District of Santa Clara County, State of California, invites and will receive sealed proposals in the Office of the Board of Trustees, 155 North Third Street, Campbell, California 95008, until 5:00 p.m., August 26, 1971, and at 8:00 p.m. a special meeting of the Board of Trustees in the regular Board meeting room said bids will be opened and read in public for furnishing all labor and materials for repairs and reroofing at the following schools:

Hamilton School, 480 East Hamilton Avenue, Campbell, California
Cypress School, 403 South Cypress Avenue, San Jose, California
Campbell School, 295 Cherry Lane, Campbell, California
Blackford School, 1970 Willow Street, San Jose, California
Lynhaven School, 881 South Cypress Avenue, San Jose, California
Dover School, 1300 Sheffield Avenue, Campbell, California
Moorpark School, 649 Thornton Way, San Jose, California

All bids are to be made out on forms furnished by the Campbell Union School District. No bidder may withdraw his bid for a period of thirty (30) days after the time set for the opening thereof.

The Board of Trustees reserves the right to reject any or all bids and to waive any informality in any bid received.

Each bid must be accompanied by a certified check, cashier's check or bidder's bond, made payable to the order of the Campbell Union School District in the amount of ten percent (10%) of the tendered bid as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the Contract Price and a payment bond in the amount of 100% of the Contract Price.

The work to be performed under this Contract shall commence upon execution of the agreement and shall be substantially completed by September 30, 1971. Time shall be the essence of this Agreement.

Should said work not be completed within the time hereinabove stated, there will be deducted from the final payment the sum of Fifty and No/100 Dollars ($50.00) per day as liquidated damages, but not as a penalty, for each day's delay after the expiration of such period until the final physical completion of the work and its delivery to said owner.

Workmen employed on said work must be paid not less than the latest prevailing scale of wages adopted by the Board of Supervisors of Santa Clara County.

Ordinary overtime, one and one-half (1-1/2) times the above rate, legal holidays, Saturdays and Sundays where crafts work a five (5) day week and/or where schedule of crafts so provide, overtime shall be paid at the rate of double time, except for watchmen, guards and flagmen. Double payment for holidays and overtime shall be in accordance with rates fixed by schedule adopted by the Board of Supervisors of Santa Clara County to which reference is hereby made for any rate of payment not herein specified.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any sub-contractor under him to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

The Board of Trustees of the Campbell Union School District, Campbell, California.
Mrs. Eleanor Graham-Armstrong
Clerk of Said Board
PUBLISH: August 11 and 18, 1971

LEGAL NOTICE

NOTICE OF FILING APPLICATION FOR INCREASES FOR INTRASTATE TELEPHONE RATES

The Pacific Telephone and Telegraph Company on August 6, 1971 filed with the Public Utilities Commission of the State of California to increase certain intrastate rates and charges applicable to telephone service furnished within the State of California. In general terms, the proposed increases are as follows:

Basic exchange rates would be increased for both residence and business telephone service. For residence the increase would be $.15 per main telephone, except for life-line telephone service, where a reduction in the message allowance from 20 to 15 is proposed. A $.30 increase is proposed per main business telephone. Foreign exchange service rates and PBX trunk rates would be increased in the same proportion as main station rates.

The message unit charge for multi-message unit messages would be increased from $.047 to $.048 per unit. Coin and foreign exchange service message unit charges would not change.

The exchange message charge for measured service would be increased from $.047 to $.052 for other than foreign exchange and coin services. Exchange messages for foreign exchange services would be increased from $.05 to $.055.

For intrastate message toll telephone service, evening operator-handled station-to-station initial period rates. would be increased to conform with the day rates, with a $.50 minimum initial period rate. The minimum initial period person-to-person rate would be $1.00. For all types of toll calls, except coin, the additional minute rate would be one-third the initial period rate for customer-dialed calls rounded down to the nearest cent.

Service connection charges would increase for new and additional service, moves of customer's, telephone sets, certain changes of customer's sets and key telephone system services, and in place connection charges. The charge for initial connection of a residence telephone would be increased from $13.00 to $15.00. The business charge would increase from $18.00 to $25.00.

A one-time charge is also proposed for customer-initiated telephone number changes. This charge will be $10.00 for residence and $15.00 for business.

A $.60 monthly rate is proposed for non-published service.

Key equipment service station rates and installation charges would be increased for COM PAK service and rates for certain items of equipment in key cabinet service would be increased.

Private branch exchange service rates would be increased for switching equipment in modular dial PBX service and in the charge for station line capacity in dial PBX service.

A $.50 monthly rate is proposed for each line arranged for hunting service.

CENTREX service primary station rates would be increased by $.50 monthly and extensions by $.25.

Airport intercommunicating service rates would be increased.

Certain miscellaneous and supplemental equipment rates would be increased.

The rates proposed are estimated to produce additional annual gross revenue of $84,800,000.

The Company's proposed rates would become effective in various California Counties and municipal corporations, including the County (Counties) of Santa Clara and the City (Cities) of Campbell, upon grant of authority therefor by the California Public Utilities Commission. The State of California and the counties and municipal corporations which may be interested in the application may obtain a copy thereof from the Applicant upon request to:

G. L. Turretto, Assistant Vice President,
The Pacific Telephone and Telegraph Company
140 New Montgomery Street, Room 1626,
San Francisco, California 94105

A copy of the application may be inspected by any interested person in the office of The Pacific Telephone and Telegraph Company at
1550 Leigh Avenue
San Jose, California
and in the offices of the Public Utilities Commission of the State of California, Fifth Floor, State Building, Civic Center, San Francisco, California, and State Building, 107 South Broadway, Los Angeles, California.

MR. and MRS. DYKE PIPKINS

Family reunion attracts 150

There were 150 persons in attendance when the children of Mrs. Stella Pipkins of Muskogee, Oklahoma gathered recently at the American Legion Hall.

Nine out of ten of Mrs. Pipkins' children were present including Mr. and Mrs. Dyke Pipkins, 761 Margaret Lane; Mr. and Mrs. Wayne Pipkins, 3065 Rincon; Mrs. Pauline Millsap and Mrs. Inez Rhoden of Muskogee; Clyde, Warren and Jay D. Pipkins of Bakersfield; Curtis of Elmira, Oregon; and Harold "Buff" Pipkins of Pittsburg, Oregon.

It was the first reunion in 30 years of the Pipkins family, some of whom had not met before.

Mrs. Pipkins, who is 77, has 26 grandchildren and 40 great-grandchildren. Twenty-one grandchildren and 28 great-grandchildren attended the potluck dinner.

Other guests included two of Mrs. Pipkins' brothers and their wives, Mr. and Mrs. Otto Newton of Taft and Mr. and Mrs. Benson Newton of Bakersfield.

A brother and sister of Mrs. Pipkins late husband and their spouses, Mr. and Mrs. Mann Bertholf and Mr. and Mrs. Raymond Pipkins attended.

One son, James Pipkins of Muskogee was unable to attend.

"Outer Limits" singing group tours Vietnam

"The Outer Limits", a local champion ladies barbershop quartet, left Tuesday on a 17-day tour of Vietnam to entertain the troops. The trip is sponsored by USO and the Department of Defense.

The members of this quartet are all from the Mission Valley Chapter of Sweet Adelines, Inc., and are residents of the bay area. This talented group began as a novelty foursome in January 1970.

Three months later they captured the Region 12 championship with a comedy presentation and they have continued to entertain in this manner. Their humorous, "tongue in cheek" performance of the finest barbershop harmony is as enjoyable for them as it is for their audience.

Tenor of the quartet is Rosalie Kelly, a reading specialist and full-time teacher. She lives in Campbell, and her husband, John, is a Supervisor with Pacific Telephone Company. They have four daughters.

Jackie Gleed, who sings lead, is a casualty agent in the insurance business.

Singing baritone is Barbara Bianchi, who arranges most of the music for the quartet.

Phyllis Sagen, who sings bass, is the manager of the quartet. Phyllis is an active worker with the Girl Scouts and enters the business world only at Christmas,

Although other Sweet Adeline quartets have toured military hospitals in Japan and the Pacific Island areas, this is only the second ladies quartet to visit Vietnam.

TOUR VIETNAM---"The Outer Limits" a ladies barbershop quartet, left yesterday on a 17 day entertainment tour to Vietnam. Mrs. Rosalie Kelly, left, is tenor of the quartet, and lives in Campbell. Other members of the quartet are Phyllis Sagen, top; Barbara Bianchi, right and Jackie Gleed, front. The quartet are members of the Mission Valley Chapter of Sweet Adelines and have been singing together for a year and a half, winning the Region 12 championship.

TRIPLE ORGAN IN PIZZERIA

Gigantic Wurlitzer installed in new Cap'ns Galley

by Tom Carroll

Campbell has a new password and a new sound.

The password is "Pizza and Pipes."

The sound is that of the mighty theater pipe organ, located in the new Cap'ns Galley, 1690 S. Bascom Ave.

The Mighty Wurlitzer, which has been relocated there was the main stay of theaters and ballrooms across the country. This instrument is more than just a Wurlitzer, it is really the work of three organ builders.

It has taken eight technicians over 12 months to repair, rebuild and install this magnificent instrument in the Cap'ns Galley.

On Monday night organ enthusiasts and some of the top organists in the Bay Area gathered at the Cap'ns Galley to hear John Seng pump the first sounds from the 26 ranks, three manual theater pipe organ.

The sound chamber for the organ contains 1,970 pipes!

Outside in the main room are the percussion instruments, train whistles, fire bells, etc., that are necessary for the unique sound of the theater organ.

The Cap'ns Galley will have its grand opening this weekend and Chicagoan John Seng will be at the keyboard five nights a week. With music on six of the seven nights, Monday will be quiet, John will be spelled by one of the other three organists who play at the Cap'ns Galley Restaurants in Santa Clara and Redwood City, Ralph Trout III, Jack Gustafson and Tom Hazelton.

While the organ is the main point of interest, two other unusual items are involved in the opening of the Cap'ns Galley. It is the first location in Santa Clara County to use the new Roto-Flex oven. The three tiers of the oven rotate while pizzas are cooked.

The other unusual item is a direct result of the former occupants of the building The Bank of America.

What does one do with a bank vault in their back room?

Bill Breuer and his manager Allen Rich turned a liability into an asset by converting the vault into a walk-in cooler. It took workmen a day and a half to drill thru the 18 inch thick concrete and steel walls.

While we've been describing the great sound of the Mighty Wurlitzer-Morton, we must remember that the Cap'ns Galley is a Pizzeria.

There are 16 different kinds of pizza on the menu as well as sandwiches.

The Cap'ns Galley is open each day at noon for lunch and remains open until 11:30 each evening. They close at 1:30 a.m. on Friday and Saturday.

ST. LUCY'S

YOUTH COUNCIL REPORTS

by Mary Bizjack

Many activities are planned for the month of August for St. Lucy's Youth Council.

A beach party is planned for August 14. We will meet at the church and then decide what beach we will go to. We will meet at 9 a.m. and bring a lunch. We should be home by 4:30 p.m.

The second annual camping trip is scheduled for August 20 through the 22. Participants will have a meeting for the parents and those attending on Sunday, Aug. 15, in the hall at 8 p.m. For more information call Robin at 378-6206.

On August 27 the Youth Council has planned a dance. It starts at 8:30 p.m. and will end at 11:30 p.m. The band will be "Liberty" and the cost is $1 at the door.

The dance will be held at Kennelly Hall which is located on the corner of Budd and Winchester.

A picnic is planned on Aug. 28 for the underprivileged people of Morgan Hill. We will be meeting at the church at 9:30 a.m. The place will be announced. Lunch will be served.

The picnic ends at 2 p.m. For further Information call Diane at 378-5661.

Youth Council has many activities planned for the month of August, and it keeps us busy. So come join us for something to do and have a lot of fun doing it. We all hope to see you and your friends come out. We'd really be glad to have you.

BYU GRADUATE---Phil Kagel, grandson of Mr. and Mrs. George Evans and Mrs. Anna Kagel of Campbell and a graduate of Campbell High School, was recently graduated from Brigham Young University in Utah and has received a commission as a second Lieutenant in the U.S Air Force. Kagel, who was a member of the Campbell-Moreland Pony League team, who were 1964 World Series Champions of the Campbell-Moreland Pony League, reports Sept. 19 to Vandenberg Air Force Base.

He is the son of Mr. and Mrs. Bob Kagel of Los Angeles and is currently working in Los Angeles.

CAN APPOINT

The Governor of California has appointive power for nearly 2,000 persons on boards and commissions.

MORELAND
BOBBY SOX
1971

PLAY IN NATIONAL TOURNEY--Moreland Bobby Soxers, for the third time in four years, moves into the national playoffs next week, Aug. 17-21 in Buena Park. Tina Appinal starred on the mound for the local team, pitching in three of the last five games for Moreland, striking out 28 and hurling two shut-outs.

Pictured, bottom row, left to right, Cindy Casteel, Robbie Vice, Lauri Faulstich, Tina Appinel, Heidi Fukada, Nanette Fukishin, Macaela McClure.

Second row, (left to right) Teri Alexander, Jody Romero, Debbi De Fiore, Bonnie Biddle, Judy Mallman, Cindy Cornelius.

Top row, (left to right) Teri North, Rita Lawson, manager; Vern Alexander, coach; Georgia Faulstich, chaperone and Laura Seglu. Not pictured is Joe Bush, coach.

DARTING AROUND

with Tom Carroll

Last Wednesday night, the dart match between the Gaslighter Theater and the Black Knight was not played. While there were eight members of the Gaslighter's teams in the building, seven of them were on stage in the final rehearsals for the theater's new production. This left only one player to fend off the Knight's charge.

After some friendly games the group decided that this would be a good night to try out some of the new pubs that are expected to join the league in the fall.

First stop for the traveling group was Court's, 1671 Bascom. A couple of locals were at the board when the group entered. After some coaching by the more experienced players, they were asked to join the group in team competition.

Two five-man teams were formed based on the diddle. That is each player threw one dart for the bulls-eye and the five closest formed one team with the remaining five on the other team. It was decided to play the singles games at 101 and the five-man team game at 501. A 101 singles game is often played in practice sessions by team members.

While it is possible to have a three-dart game when shooting at 101, this reporter doesn't remember seeing one before last Wednesday. Milt Mennott shot a double 16 or 32 away on his first dart. Hit the 19 with the second dart. This is 51 points leaving 50 points or the bulls-eye for the out. This he did to win the three dart game thereby skunking his opponent Neil McIntosh, who didn't even get a chance to throw a dart at the board.

The match at Court's ended in a three-three tie.

CISCO'S

The traveling group now moved on to Cisco's, Riverside Plaza, Hamilton and San Tomas Expressway. As the size of the group had dwindled it was decided to play a few games of shanghai.

Shanghai is a group game that is designed to improve your dart throwing control. Seven numbers are picked, usually one through seven or three through nine. These are marked across the top of the chalk board with the players names chalked down the side.

Each player shoots in turn at the number designated. Only those darts that land in that numbered bed count. Example: the first dart shooter hits a triple one and 18 and a single one. The 18 doesn't count. The triple one and the single one add up to four points. A player can start slow and have a great finish, remembering that a triple seven is 21 points.

The person with the highest score wins. A shanghai is scored if the shooter hits the single, double and triple of the designated number in his three darts. The dart player shooting a Shanghai is an automatic winner.

After the Shanghai games there were some singles games played. At both locations there was some spectator interest. I would like to see more traveling groups like this making appearances at the new pubs and stimulating interest in our sport.

West Valley Colts advance to divisional tournament

West Valley Colts, winners of the Northwest Regional Tournament in Yakima, Wash., last Saturday, leave today for National City, Calif., to play in the divisional tourney, the last stop before the world series in Lafayette, Ind. West Valley defeated Yakima 10-1 to win the regional trophy in the final game.

West Valley plays Anaheim (south regional champs) at 8 p.m. The tournament ends Sunday.

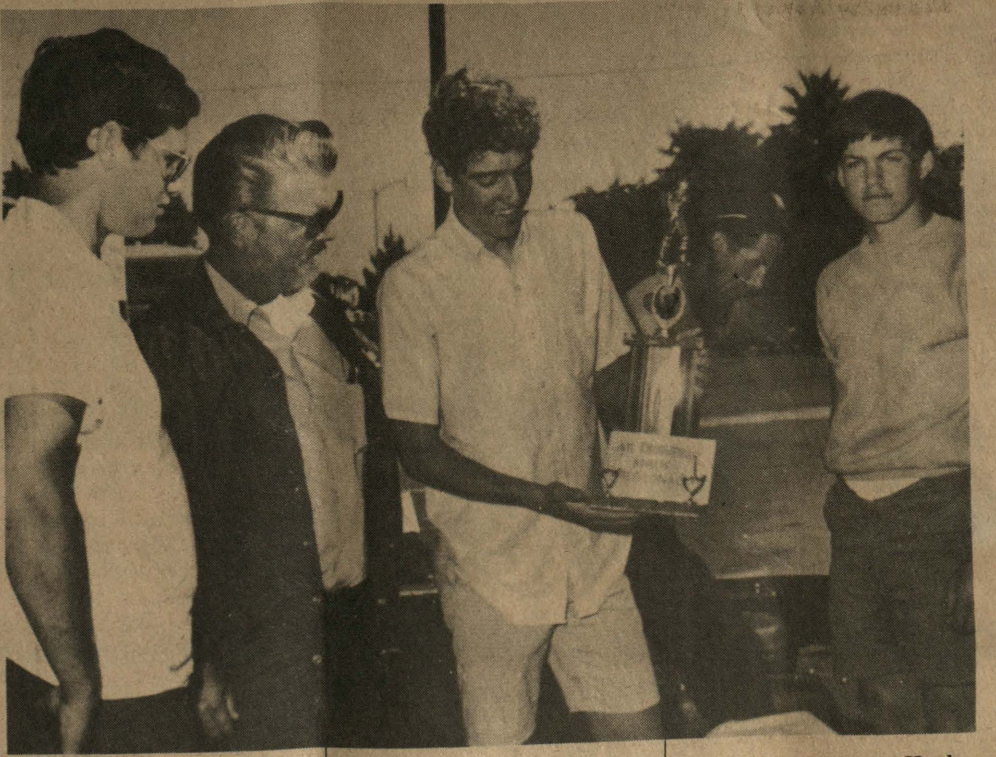
Between 40 and 50 fans and family members of the West Valley team were on hand in Yakima to cheer on the local team.

Last Wednesday, West Valley defeated Snohomish, Wash., 4-2 in nine innings when in the ninth two runs were scored on a dropped sacrifice hit by Jeff Mason. Rick Bennett hit a double to drive in a run and also pitched seven innings. Ron Wright came on in the seventh.

On Thursday, West Valley turned back Yakima 6-2 with Jay Gingrich allowing only four hits and striking out 11. Jay Peyman turned in an outstanding fielding gem with a diving backhand stop.

In the final game on Saturday with Yakima again the foe, Gary Haney was the starting pitcher. He struck out 11 and allowed only one hit. Because of the excessive heat, he was relieved in the sixth by Ron Wright who struck out five and also allowed only one hit.

Gordy Hahn scored the first run after a base hit and a throwing error. Gordy was on base four times in five times at bat. He collected two singles and a homerun.



TROPHY WINNERS---Pat Hughes, of the West Valley Colts, holds the trophy that was awarded to the Colts as 1971 north regional champions in Yakima, Wash. From the left, Jeff Mason, Wayne Mitchell, manager; Hughes, Jim Dilles, coach (in background) and John Dilles.

PROUD CHAMPIONS --- Six West Valley Colts pose with their trophy after winning the regional championship in Yakima, Wash. for the second consecutive year. Left to right, Russ Van Vleck, Bill Moore, Jay Gingrich, Matt Vaughn (holding trophy) and Rick Bauer.

COUNTY DIRECTOR---Peter J. Lert, a Santa Clara County farm advisor since 1955, has been named county director. He succeeds Joseph Coony, who was recently promoted to assistant director of agricultural extension in southern California. Lert, 50, was born in Hanover, Germany, but came to California when he was 11. He received his B.S. degree from University of California in 1948

PROUD COACH---Jim Dilles, coach of the West Valley Colts, carefully guards the trophy his team won in Yakima, Wash., while keeping a sharp eye on the gear of his team. West Valley plays in National City (near San Diego) tonight in the first game of the divisional tournament, the last stop before the world series.

GRADUATES

Navy Airman Apprentice Gary D. Luke, son of Mrs. Marty D. Pires of 601 Alpha Court, Campbell, was graduated from Aviation Structural Mechanics Course in Structures at the Naval Air Technical Training Center, Millington, Tenn.

SPECIAL TEST SESSION FOR LATE STUDENTS

West Valley College will hold a special late admission testing session at 10 a.m. and 1 p.m. on Tuesday, Aug. 10, according to Arnold J. Edman, dean of counseling and guidance for the college.

The testing session, being held because of the continuing number of applying day students, will be conducted in the college auditorium (Room A-5) at Winchester Boulevard and Campbell Avenue.

Edman pointed out that day students must still have an application for admission and test scores on file by Aug. 13 in order to be qualified for day student status in the fall.

The strongest of all known venoms, that of the Kokoe frog of Colombia, will remain lethal for more than 15 years.

Once You've Done It... You'll Never Forget It!
Riding a bicycle is never forgotten once you've learned. Hundreds of thousands of health-minded adults have discovered and rediscovered the joys of cycling in the past few years. With good reason. There are many new bikes . . . new Schwinn bikes . . . especially designed for the mature rider. Some with 10-speed gears, some with handbrakes, some with 3-speed gears. Each one designed to bring back the thrill of the open road and to restore that glow of good health in your cheeks. Stop in soon, and let us fit a new Schwinn to you. Join the "in" group on a new Schwinn!

THE

Mighty Wurlitzer-Morton

During the era of the silent films, movie houses throughout the country installed what have come to be called "Theatre Pipe Organs." For almost 20 years they were played to accompany the pictures with mood music and sound effects, also entertaining the patrons during intermission and before and after the film.

This 26 rank, 3 manual Theatre Pipe Organ contains one thousand, nine hundred and seventy pipes, plus toy counter and percussions. Weight of the instrument is in excess of 23,000 pounds.

JOHN SENG

Tuesday thru Saturday

CHICAGO'S PIPE ORGAN VIRTUOSO

John Seng toured the country for both the Wurlitzer and Hammond Organ Companies. Considered one of the greatest pipe organists in the country, he maintains his personal pipe organ at Mundelein College in Chicago.

LARRY VANUCCI

Sunday

SAN FRANCISCO'S MISTER PIPE ORGAN

Larry Vanucci probably has more fans in the Bay Area than any other pipe organist. For the past four years he has played at San Raphael Joe's. Prior to that he played the pipe organ at the Lost Weekend Bar in San Francisco.
